

## Reader's story

My name is Sarah. I have been going to a literacy program for 1½ years.

My tutor helps me with reading, writing, math and computers. Now I'm OK using the computer at home.

During my time off in the summer, I went on the *English Express* website to read the stories from old issues.

At my program, I look for the new *English Express* to come in the mail.

### My summer holiday

We went on a ferry to Vancouver Island. Then we checked into our hotel in Victoria.

#### Did many things

✓ We went to the waterfront to see the seals.

✓ Dad and I went to the Pacific Undersea Gardens. We saw some fish and a diver.

✓ I went to the hotel lobby to sit by the fire. I watched TV in our room.

✓ Mom and I went shopping.

#### Stopped in Calgary

We stopped in Calgary and saw Grandma on her 90th birthday. Then we came home.
